## Allergen Warning: The following products contain **gluten**

Gluten is a protein found in grains, especially wheat, but also in barley and other grains. Several Chinese herbs are derived from species of wheat and barley and others are traditionally processed using products made from wheat or barley. For example, Mai ya is barley sprout and Yi Tang is barley sugar. Fu xiao mai is a type of wheat, and Shen qu, known as “medicated leaven”, is processed with wheat. Individuals with celiac disease, wheat allergies or gluten sensitivity should use caution with the following products to avoid food sensitivities or allergic reactions.
